

Toledo Area Bicyclists Maumee Area River Ride (MARR)  
August 10, 2019

**Sponsorship Form**

This year the Maumee Area River Ride (MARR) will dedicate proceeds to the Northwestern Ohio Rails-to-Trails Association (NORTA). In the past few years, cycling of all types in NW Ohio has enjoyed an enthusiastic surge in participation. The NORTA supported trails in our area are well used and greatly appreciated by walkers, runners and cyclists alike. MARR is pleased to demonstrate our support for further trail development in the future and this support is consistent with the Toledo Area Bike Club's mission of supporting and enhancing safe bicycling in Northwestern Ohio.

This year's event is Presented by TAB *with* Cyclewerks. Please choose how you would like to sponsor MARR:
